

CONTRIBUTORS

THE BINGHAM FAMILY IN THE UNITED STATES: THE DESCENDANTS OF THOMAS BINGHAM OF CONNECTICUT

BELOW is a list of Bingham Researchers who contributed to this book. In the text, an ® appears before the abbreviation for their name. Some researchers contributed in 1970; others in the 1980s and 1990s when the book was underway; still others for the UPDATES 1997 - 2019. A few dedicated researchers contributed consistently over the years. To all, we owe a considerable debt, but to a few, as you shall find out, we owe our everlasting gratitude.
